Exclaimer was founded in 2001 with the goal of developing a software solution to add disclaimers to outgoing emails for companies using Microsoft Outlook and Exchange.

With more than 35 million users worldwide, Exclaimer is by far the market leader for Disclaiming software. Exclaimer has offices in the US, Canada, UK, The Netherlands and sells its products through a worldwide network of partners.

We are proud to confirm that Burhan Technology Company is our certified partner in Kuwait.
